January Birthdays

In astrology, those born from January 1–19 are Capricorn's Goats. Patience, perseverance, and dedication help Goats climb to the highest of heights. Their drive to the top makes them excellent partners and collaborators. Those born from January 20–31 are the Water Bearers of Aquarius. Although they bear water, Aquarius is an air sign, signaling that they are innovative, progressive, and rebellious. They nurture and support new ideas.

Message from our Executive Director- Maddi

Hi folks! This is my favourite time of year, skiing with the family, drinking warm festive drinks by the fire. Take the time to enjoy what the colder months has to offer. I am so proud of our staff and residents here at Aberdeen Gardens, all the best in this new year. I'd like to welcome our new Assistant Director of Care; her name is Meg and she will be joining us January 2nd. Stop by and give her a warm welcome.

Message from our Recreation Manager- Dana

Welcome 2023! First, I would like to introduce two students that will be joining us every Thursday and Friday until April. Hamdi and Grace, welcome. I have lots of fun things planned for us in the new year. January 11th is International Thank You day. We will be going around to all the residents with Thank You cards, you can personalize it for anyone you wish to give it to. Now is the time when people start their New Year's Resolution. Whether that is to start writing in a journal every day, ditching a bad habit, or simply trying something new. What is your New Year's Resolution?

Dana's fun fact of the month: A shrimp's heart is in its head.

A Scottish Wedding

Wishing everyone at Aberdeen a happy and healthy Hogmanay New Year.

The wedding party from Canada to Scotland. The Groom Evan Woods the Bride Kelsey Vassallo. Best Man Adam Clarke – Maid of Honour Mina Koureyavka.

-Why Scotland you ask-

Kelsey, the future bride traveled through Scotland while on vacation with Evan. It was here that she fell in love with the beautiful country; with its rolling hills covered with Scottish Heather. This prompted her to say, “when we marry, let’s do it here.” Evan, who was also smitten, said “you’re right; this is the place.”

Comic Corner by T.N.T.

The parents of the ten-year-old boy were concerned about the poor performance of their sons’ grades shown on his report card, especially math. All D’s and F’s. After some serious thinking, they decided to transfer him to the nearby, highly regarded Catholic School. Immediately after the first day, he was found poring over his books for hours, nightly. The parents were pleased and amazed at the “A” for Math on his first report card. The father praised the boy. “What was it son, the books? The nuns? Or what?”. The boy looked at his dad and said, “Well dad, from the first day I sat in that classroom and saw that guy nailed to the plus sign on the wall... I knew that they meant business.”
