Inspirational Words

"Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that"

-Martin Luther King, Jr.

"Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid."

-Albert Einstein

"Forgiveness liberates the soul. It removes fear. That is why it is such a powerful weapon"

-Nelson Mandela

"The important thing is; if you fail once, or if your luck is bad this time, the dream is still there. A dream is only over if you give it up-or if it comes true"

In Flanders Fields

In Flanders Fields the poppies
blow

Between the crosses row by row
That mark our place, and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns
below.

We are the dead, short days ago
We lived, felt dawn, saw sunset
glow

Loved and were loved and now we
lie
In Flanders Fields

Take up our quarrel with the foe
To you, from failing hands, we
throw

The torch, be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies
grow

In Flanders Fields.

REMEMBRANCE DAY
Let's We Forget

A Hunting Mishap

This is a story about my brother Jim and I following our previous duck hunting folly. After some thought on that hunt Jim phoned me and said do you want to try again, I have lined up a great spot for a duck hunt. Okay, where to now Jim? The duck blinds in the lake behind the port hospital. Just the two of us? No there are two other guys they have the boat. I will pick you up at 7 o'clock in the morning. It was overcast and windy when Jim picked me up.

The two friends of Jim were waiting for us at the dock. The boat was an old metal craft with three seats and a small motor. After introductions we climbed into the boat with our guns and took off, I was at the front of the boat sort of Horatio at the bow.

We had not gone far when that early morning wind was really picking up, the boat was starting to roll and pitch in the growing white capped waves. Then looking down I saw that my boots were starting to cover with water. This boat has a leak in the hull. Now we had to get ourselves and the boat to dry land. After a quick meeting we decided we were closer to the dock than the blinds. They turned the boat with some difficulty and headed for the dock. Then they broke out, some empty soup cans for bailing, this boat had leaked before!!

Well, we made the dock, grabbed our guns, and got out. For me anyway sadder but wiser. Then Jim said it's early do you want to go to the mud flats for ducks. No, I have had it for this day. But we could go to Tims for a coffee and donut. There we can talk about what might have been. Ok let's go, Jim, yes do you know anyone who is looking for a buy on a shot gun?

Comic Corner by T.N.T.

The courier was delivering a parcel. A little boy was sitting on the doorstep reading a comic book. The man asked the boy "is your mom home?". "Yes", said the boy, without raising his head. The delivery man steps up, rings the bell a couple of times. No answer. He then knocks very firmly on the door. Still no answer. He turns to the boy and says and says "you told me your mother was home, I rang the doorbell and knocked, still got no answer. "Oh! Said the kid, "I don't live here, I live across the road!"
